1. As you all know I have been seeking for the past two weeks to get before a court urgently to get a stay of the procedurally-flawed and secretive so-called judicial review (with no transparency, public hearing, right to be provided with court documents and other basic natural justice protections) of the chief clerk's refusal to file my cases and summons in your court's registry.

2. You have all seen my Affidavit affirmed Friday 8 March 2024 and the emails from 8am the same day seeking a stay and seeking it urgently.

3. You have all seen the references to the recent requirements to do better in assisting First Peoples access to your justice-delivery services and your website and emails acknowledge Our Elders (although you still are badly in denial about your genocide of Our People).

5. Not one of you has assisted with information about procedure or action in processing. In fact by your silence, inaction and omissions you have effectively colluded in stopping me accessing your white court with its black history.

6. I attach a file "Summary of 8 Filings, 4 Refusals, 9 Summons, 11 Affidavits/Exhibits and Chronology"

5. I attach a Summons seeking an urgent hearing TODAY for a stay of the said "review" (paragraph 1 above) and request the Summons be filed and listed THIS MORNING.

6. This letter and the attached file constitute a draft affidavit and I undertake to affirm an affidavit with this letter and attached file as the sole exhibit upon hearing that my summons will be filed, stamped and listed for hearing TODAY and that I am not wasting my time here.

7. A copy of this letter and attachments is being forwarded this morning to

   (i) the Independent Broad-based Anti- Corruption Commission (which I understand has jurisdiction over Judges and Courts too) as part of my public disclosure commenced on Friday 22 March 2024 with written notice to you of this disclosure on that day;

   (ii) the current royal commission into injustices against First Peoples aka Yoorrook Justice Commission where my testimony is scheduled for Wednesday 27 March 2024;

   (iii) Taryn Lee, Chair of the Board of the Victorian Equal Opportunity and Human Rights Commission as part of my complaint to the Commission commenced on Friday 22 March 2024 with written notice of my complaint given to you on that day.
